

**REMARKS**

Claims 24-46 are currently pending in this application. Claims 1-23 were cancelled and claims 24-46 were added by Preliminary Amendment. Claim 46 has been allowed. This Amendment cancels claim 29 and amends claims 24, 30, 35, 40 and 41. Support for the amendments to the claims can be found in the specification, claims and drawing as originally filed. No new matter has been added.

The Examiner has indicated that claims 29-41 contain allowable subject matter and would be allowable if rewritten in independent form, including all the limitations of the base claim and any intervening claims. In order to place the pending claims in condition for allowance, the limitations filed in cancelled claim 29 have been added to independent claim 24. Claims 30, 35, 40 and 41 have been amended to change their dependency from claim 29 to claim 24. All of the remaining dependent claims depend either directly or indirectly from amended independent claim 24. Therefore, claims 24-28 and 30-46 are in condition for allowance.

In view of the foregoing, reconsideration of the rejections and allowance of claims 24-28 and 30-46 are respectfully requested.

Respectfully submitted,

WEBB ZIESENHEIM LOGSDON  
ORKIN & HANSON, P.C.
